

## Stationary List 2026 Grade 4-5

Dear Parents,

This list of stationery is required per grade. It has been compiled and checked by each grades Teacher. We try to keep the list as conservative as possible and kindly ask that parents replace items as they are used up. Please check all stationery before the start of every term to ensure each learner can start the academic term with bubbling enthusiasm, because the tools for the adventure of learning are nicely in place.

**Kindly ensure that all stationery items are properly marked with your child's details.**
